DEVINE-PLEINES BOUT TONIGHT

Boxing fans will be given another good exhibition at Olympic hall tonight when the Knights of Columbus put on their smoker and a record crowd is anticipated as boxing in Norwich is on the boom. The card that has been arranged looms up big, promising much action between clever mitt artists.

For the main bout Mick Devine of Providence meets Collie Pleines of New Haven, one of Tommy Shea's comers, Mickey Devine has had a great record in the east and is still fighting in top notch form, while Pleines is creating a good impression in the western part of the state and is booked for several other bouts in the near future. Pleines boxed here a number of years ago under the name of Kid Sullivan. He fought against Joe Corbett, easily defeating him, and even then was a good man, but under the management of Shea has improved greatly.

Tracy Ferguson. of New Haven, another of Tommy Shea's men, will box against Jack Sullivan of Bridgeport is the semi-final go. As to the merits of Sullivan we can say little, but reports that come to us show him as a boxer of merit. Ferguson we know as a good man and his services are demanded in all parts of the state. He is an aggressive fighter with lots of action. This bout should prove one of the best on the card.

Leek Carberry is scheduled to go four

Jack Carberry is scheduled to go four rowis with Young Raymond of Greeneville. Both are local boys and practically evenly matched as to weight and science. Carberry has the greater amount of experience, but his condition is not as good as that of Raymond.
For the other bout Jack Rose of New Haven will meet Jack Gendron of Providence, Gendron is one of Joe Heaton's boys, and has made a good showing in boys, and has made a good showing in prelims in the Rhode Island city. Rose is also reported to be a good boy in his

Tommy Fury is to referee the bouts and has given instructions that unless the boys mix it up and fight out of the ring they go.

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one prepara-tion that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record An examining physician for one of the prominent Life Insurance Compan-

San Diego. Calif. April 21—Jack Johnson, former heavyweight champion, displayed much of his former against in a ter hockey team chosen in America.

The players were chosen from the teams of the best three amateur hockey teams in the United States—the Pittsburgh Athletic association, the Boston Athletic association and the St. Paul Athletic association. The Olympic entry allows seven entries of regulars and seven substitutes. The United States is sending 13 players, all tonight first string men, and a manager, Ray D. Schooley, of Pittsburgh. The team rounds. before going abroad played a number of exhibition games in Pittsburgh and other cities, the proceeds of these games going towards the expenses of the team. The cost of sending the bockey team will be about \$15,000.

Who the Players Are.

The members of the team are George P. Geran, Leon Tuck, Irving W. Small, Frank A. Synott, Alphonse La Croix and Frank P. The most important position on the team—goal tender—will be looked after by Bonney. Tall in stature, he is a veritable stone wall in front of the net.
